Living with FASD - As a Person, As a Parent

Presenter: Liz Lawryk and Darla Parsons
Date: June 30, 2009

Session Goals

➢ To enhance our understanding of the challenges for adults with FASD
➢ To acknowledge the life circumstances of mothers of children diagnosed with FASD
➢ To learn how to best support women in both intervention and prevention for the future

Stay tuned to www.fasd-cmc.alberta.ca for information on the 2009-2010 FASD Learning Series

Please take time to fill out the on-line evaluation

Thank You!
